FULL BOX RAIL
CONSTRUCTION

The XL Standing Platform reduces dangerous falls and is comfortable to stand on for extended periods while working.

A full-box construction makes the ladder look slim, but is stronger and lighter than most traditional A-frame ladders.

Made from lightweight, non-conductive fibreglass, you can safely use it around electricity.

1-YEAR LIMITED WARRANTY • 150 KG RATED

Part Number	Model	Stepladder Highest Standing Level	Stepladder Max Reach*	Spread	Storage Height	Storage Width	Storage Depth	Weight
15364-440	1.22 m (2 step)	57 cm	2.55 m	69 cm	1.27 m	48 cm	10 cm	5.6 kg
